Frequently Asked Questions

What if I do not complete the required courses or miss a deadline?

Your admission to SJSU may be revoked and your registration canceled. Failure to submit your final high school transcripts will result in your admission being revoked, even if you have secured housing, received financial aid, registered for classes, or attended orientation.

What if I am planning to take courses required for admission during the Summer 2027 term?

You may not use coursework from the Summer 2027 term to complete admission or impaction requirements.

If I want to take the fall semester off, can I defer admission to another term?

No. Your admission is valid for Fall 2027 only, and you must enroll in at least one course during the term of admission. If you do not enroll and wish to attend SJSU in a later term, you must submit a new application for a future term for which you meet the admission requirements.

What if I'm a California Community College transfer?

Keep your own copy of the general education plan from your community college. Keep track of the courses you've completed to meet the General Education (GE) requirements. Work with our academic advisors to complete the remaining courses at SJSU.

Can I change my major?

Due to SJSU campus impaction, a change of major cannot be processed prior to the start of the term and is not guaranteed even after admission to SJSU. Additionally, due to new federal regulations, F-1 students cannot change their major until they have been enrolled in their degree program for one academic year.

Register for Classes

We encourage you to use MyScheduler (in MySJSU Student Center) to plan your course schedule. This tool allows you to pre-program in breaks or time conflicts before calculating several possible course schedules to choose from.

Registration Appointments

You will have the ability to register for classes during orientation if you have submitted all official transcripts, documents, and test scores. Be sure to send these official transcripts, documents, and test scores by the deadline posted in MySJSU. These are required to verify your eligibility to enroll and minimize delays in the assignment of your registration appointment.

Attend Spartan Experience for Transfer (Mandatory Orientation)

To maintain your eligibility to enroll, you must attend your scheduled Spartan Experience for Transfers orientation.

Registering for Courses

Sign in to one.sjsu.edu and search for "MyScheduler" to build and save your desired class schedule. After receiving an enrollment appointment and attending orientation, register for your planned classes directly from MyScheduler (sjsu.edu/classes/register/myscheduler.php).

Registration Holds

Check to see if you have a hold that will prevent you from registering by logging in to MySJSU. Visit sjsu.edu/registrar/registration/registration-holds.php and follow the steps to view any holds and learn how to resolve them.

SJSU CATALOG
catalog.sjsu.edu

What will I need to register for classes?

- A file of your SJSU admission information, including admission letters, grade reports, copies of transcripts from other schools, copies of AP and placement test scores, and everything related to your enrollment.
- Attend all segments of the mandatory orientation.
- The SJSU Catalog for descriptions of classes, major and minor requirements, available at catalog.sjsu.edu

Once I've registered, can I change my schedule?

If work or family obligations require a schedule change, you can adjust your classes through the last day to drop/add classes.

Important note: Before dropping or swapping a class, make sure you can successfully add the new course. Classes fill quickly at SJSU. If a course is full, check MySJSU for open sections or join the waitlist. Enrollment from the waitlist is not guaranteed..

Can I still get academic advising if my transcripts have not been fully evaluated?

Yes. Advisors can help you understand university expectations and graduation requirements, including general education requirements. Once Admissions completes your transcript evaluation, meet with your program's Academic Advisor again to review your GE checklist and degree progress. Your academic plan may need to be adjusted based on the evaluation, so this follow-up is important for staying on track to graduate.

What if I don't register for the Fall 2027 semester?

Your admission is valid only for Fall 2027. You must enroll in and attend at least one course during Fall 2027 to maintain your admission. If you do not enroll and wish to attend SJSU in a future term, you must submit a new application for the next available term for which you meet the minimum requirements.

Financial Aid

Please note that international students are not eligible for federal or state financial aid.

Scholarships

Scholarships are available to international students through SJSU's Financial Aid and Scholarship Office. International students are only eligible for scholarships that are merit-based. Need-based scholarships are part of financial aid, which is unavailable to international students.

To get more information on scholarships, visit sjsu.edu/faso/types-of-aid/scholarships

Installment Payment Plans

The university offers payment plans to assist students and their families in making their payments over a period of time. Two payment plans are offered for the fall and spring semesters:

- Tuition payment plan
- Housing payment plan

Students may sign up for both plans if needed and each payment plan has a $35 fee. The initial payment includes campus mandatory fees, optional SIRF fee, First Day Solutions charges, and miscellaneous class fees. These fees must be paid by your payment due date and are not included in the installments.

Eligible charges that can be divided into installment payments include tuition fees, non- California resident fees, and graduate professional business program fees. A student must have a minimum of $1,000 in eligible charges to qualify for the payment plan.

Visit sjsu.edu/bursar/payment-refunds/installment-payment-plan for more information.

International Wire Transfers

International students can now make payments via international wire transfer. San José State University has partnered with Flywire to streamline the tuition payment process for our international students. Flywire offers excellent foreign exchange rates, allowing you to pay in your home currency and save a significant amount of money compared to traditional banks. You will be able to track the progress of your payment throughout the transfer process via a student dashboard and you will also be notified via email when your payment is received by San José State.

There is no fee charged by SJSU or Flywire for international wire transfers, however, the bank used to send the wire transfer may charge a fee so check with that bank for the fee schedule.

Learn more at sjsu.edu/bursar/payment-refunds/methods-payment/international

Field Trip Fees

A few courses have additional field trip fees ranging from $11 to $52.

Special or Optional Fees

Parking permits are available for students. A daily one–semester parking permit is estimated at $228. Parking permit information is available at sjsu.edu/parking

Refunds

Students are encouraged to enroll in Direct Deposit to receive refunds several days faster and more securely than by paper check. To enroll, log in to MySJSU, go to "Finances," and select "Enroll in Direct Deposit." To learn more visit sjsu.edu/bursar

Bookstore Charges

Registered students can charge books and supplies purchased at the Spartan Bookstore to their MySJSU student account up to $900 per semester. For more details visit sjsu.edu/bursar/our-services/spartan-bookstore-voucher

Keeping Your MySJSU Account Current

SJSU has established a business practice whereby all payments apply to the oldest debt on your account. For example, if you are making a registration payment and you have a housing debt with an earlier due date, the payment will apply to the housing charges first. Keep your account current to avoid the possibility of enrollment cancellation.

Any delinquent outstanding charges owed to the university will be submitted to the Franchise Tax Board for tax refund offset. The university, or its agent, has the right to pursue collections in order to repay a delinquent debt owed to the university.

Customs and Immigration at the Airport

Once you arrive in the United States, you will need to go through customs and immigration. Please expect this process to take some time and prepare in advance by having your documents ready. You must keep the following documents in your carry-on luggage so you are able to present them to a Customs and Border Patrol (CBP) officer:

- Passport (must be valid for at least six months into the future at time of entry)
- F-1 visa stamp (must be valid at the time of entry)
- Form I-20, (must be valid with entry not allowed sooner than 30 days prior to the program start date)

We also recommend having the following documents on hand in the event you are asked to present them:

- Proof of financial support and resources reflected on Form I-20
- Tuition and/or Housing receipt(s), if you have made payments prior to your arrival
- SEVIS I-901 fee receipt

Please note that Canadian citizens are not required to apply for a visa to enter the U.S. as an F-1, but must still pay the SEVIS Fee at least three business days before arrival and they must present their Form I-20 at the U.S. port of entry.

For more information on preparing for Customs and Immigration at the airport, visit sjsu.edu/isss/new-students/pre-arrival/entering.php

Important Resources

Student Responsibilities and Rights

As members of the academic community, students accept both the rights and responsibilities incumbent upon all members of the institution (S90–5). Students are encouraged to consult the Student Responsibilities and Rights section of the SJSU Catalog (catalog.sjsu.edu) to ensure an understanding of the resources, requirements, and programs designed to support students' academic and personal growth, as well as review important university policies and procedures every student at SJSU is responsible for knowing and upholding.

Student Code of Conduct

Members of SJSU are expected to uphold the community standards and demonstrate academic integrity, accountability for one's actions, respect for oneself and one's community, and personal development. It is, therefore, important that students familiarize themselves with the Student Conduct Code and Academic Integrity Policy for which they are accountable. This information can be found in the SJSU university catalog and schedule of classes at sjsu.edu/studentconduct/policies

Students with Disabilities

The Accessible Education Center (AEC) provides academically-related accommodations and services for students with disabilities. To qualify, students must complete an AEC application and meet with an AEC Counselor. A wide spectrum of accommodations/services/auxiliary aides are available to students based on individual needs. Accommodations include, but are not limited to: consideration for priority registration, note takers, sign language interpreters/captioners, test accommodations, academic counseling, disability

management and assistive technology training.

Students can register with the AEC anytime during the semester; however, it is recommended students provide the AEC with disability verification as soon as possible to assist them. Visit AEC's website (sjsu.edu/aec) for more information.

Non-Discrimination Policy

Statement of Nondiscrimination

The California State University (CSU) is committed to maintaining an inclusive community that values diversity and fosters tolerance and mutual respect. CSU does not discriminate on the basis of sex or gender, which includes gender identity (including transgender), gender expression, sexual orientation or sex stereotype in its education programs or activities.Title IX of the Education Amendments of 1972, and certain other federal and state laws, prohibit discrimination on the basis of sex or gender or sexual orientation in employment, as well as in all education programs and activities operated by the University (both on and off-campus).
